

# React, The Inglorious Way

Matteo Antony Mistretta

Inglorious Coderz

@antonymistretta

Why

Because.

```
antony@ingloriouscoderz ~> whoami
```

# SASS and CSS Modules

setState

Performance

# Higher-Order Components

Recompose

# Render Props

# Function As Child Component

React.memo

React.lazy is... cute

# Context API

contextType

Context + Render Props + HoC

Hooks

# Thank you.
